PROFESSIONAL PROFILE

Engineering student at the École Polytechnique de Sousse, specializing in Data Science and Artificial Intelligence, I am seeking a final year internship starting from February 2026. My goal is to involve myself in innovative projects where I can apply my skills in Machine Learning, NLP, and data analysis.

EDUCATION

- **Engineering Degree in Computer Science** — *2023 – 2026 (Expected)*
  Specialization: Data Science and AI — École Polytechnique de Sousse
- **National License in Electronics, Electrical Engineering and Automation** — *2020 - 2023*
  Specialization: Industrial Computing and Automation — ISSAT Sousse

EXPERIENCE

- **Summer Internship at VAERDIA** — *July 2025 – August 2025*
  Intelligent OCR- GED for insurance claims management — Sousse, Tunisia
  - **Modeling :** Automate the reading, verification, and classification of documents submitted in claims files.
  - **Technologies :** Python NLP, Tesseract OCR, SpaCy, PostgreSQL.
- **Summer Internship at ZenHosting** — *June 2025*
  Sales management web application — Sousse, Tunisia
  - **Technologies :** Node.js, Express.js, React.js, MongoDB.
- **Final Year Internship at DEMCO JeansWear** — *February 2023 – May 2023*
  Automation and supervision of a biological tank — Moknine, Tunisia
  - **Programming :** Configuration of Siemens S7-1200 PLCs and KTP400 HMI.

ACADEMIC PROJECTS

- **MoodMate — Psychological Chatbot** — *November 2025 – January 2026*
  Empathic AI detecting emotions to generate adapted responses.
  - **Modeling :** Use of DistilBERT for sentiment prediction and Gemma-2-2B-IT for generating contextual responses.
  - **Development :** FastAPI backend and a Streamlit interface.
- **Agri-food Quality Control System by ML** — *January 2025 – April 2025*
  Development of predictive models to predict chemical properties and classify juice quality.
  - **Modeling :** Comparison of Classification and Regression algorithms on experimental data.
  - **Technical Stack :** Python, Scikit-learn, Pandas, NumPy, Matplotlib.

TECHNICAL SKILLS

Languages: Python, JavaScript, R

AI & ML: Pandas, NumPy, TensorFlow, Scikit-learn, PCA, KMeans, DBSCAN, XGBoost

NLP & LLM: Hugging Face, DistilBERT, Gemma-2-2b-it, SpaCy, NLTK

Visualization: Matplotlib, Seaborn, Power BI

Web: FastAPI, Express.js, Node.js, React.js, Streamlit

Databases: PostgreSQL, MySQL, MongoDB

Tools & Cloud: Git, Docker, Google Colab, VS Code, Power BI, Microsoft Azure

CERTIFICATIONS

- **IT Specialist – Data Analytics** (Certiport) — *2025*
- **Introduction to the Tidyverse / R** (DataCamp) — *2025*
- **IT Specialist – Python** (Certiport) — *2024*

LANGUAGES

French, English
